

A section of Wolborough Street in Newton Abbot will be closed between 22nd July and 9th August 2024. Services 7, 92, 176 and 177 will be significantly disrupted as a result.

Stagecoach 7 and 92:

Service 7 will run non-stop between Newton Abbot Sherborne Road and Totnes Coronation Road, **not serving Ipplepen or any other stops on the A381 between these points.** The remaining part of the route, as well as connecting route 92, will operate to an amended timetable as a result of the diversion. See separate attachment for more details of this.

Country Bus 176 and 177:

These services will be unable to serve Newton Abbot Sherborne Road or ASDA. Instead, both routes will start and finish from the end of **Linden Terrace**, on Wolborough Street.

See next page for a map showing how to get to the temporary stop from Sherborne Road.

Service 176 timetable remains unaffected from all other stops. Service 177 will operate to the temporary timetable shown below as a result of the disruption:
